## THE POWER OF PEOPLE AND FILMS

Tipping Point North South Ltd (trading as Tipping Point Film Fund) welcomes applications for membership from anyone committed to supporting the co-operative in its work of funding social action feature documentaries and their associated campaigns.

Membership entitles you to participate in the work of the Co-operative. This could include attendance at meetings and supporting films and campaigns in your locality. You will agree that participation is the key to a successful and sustainable community of supporters.

Membership is purchasing one share in the organisation. No more than one share will be sold to each person or organisation. All shares are valued at £1.00 each, and cannot lose or gain value. The rules of the community co-operative prohibit financial gains by members. All members have the right to vote at meetings of the co-operative's membership. Individual members and organisations are limited to a single non-transferable vote. Any individual member may be nominated for a vacant position in the management committee of the co-operative, and voted on to the committee.
